

9/11 with Princess4Peace

Princess4Peace from Africa Joins Oprah's #BeliefDays on 9/11

ACCRA, GHANA, September 11, 2015
/EINPresswire.com/ -- 11 Days of
Compassion and Healing

We are standing on the dawn of a crossroad in history of our world. Change will come – we have no choice in that matter. Every September 11, we have a crucial choice to make: we can choose to be victims of change or we can choose to be masters of change.

To be masters of the unforeseen departures of loved ones through death or ending of vital relationships, betrayal, loss of interest, distrust or whatever the reason, we must learn to let go, and let God. We must choose to accept that these changes are for a greater good and that all things are working together for good. We must learn to say “It is well!”

We must also learn to choose what we set our hearts on. Set your heart and mind on whatever is lovely, peaceful and pure. Believe that a new beautiful chapter is waiting for you, just around the corner, more beautiful than what has been lost – be it a friend, a job, life goes on to a better life, if you believe.

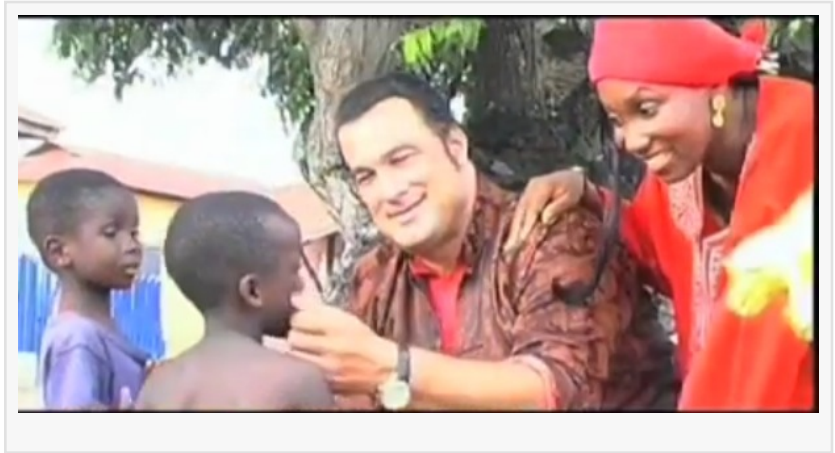

Since I started my Belief Journey, I have come to understand the amazing beauty in sharing each other's griefs. In grieving with America and my American friends, I have come to deeply appreciate what America and my special American friends have meant to me and how much they have positively impacted my life. On this 9/11, I send love and the “Peace that passeth all understanding” from the God of Peace to America and to all my beloved friends in America.

Please share this [video](#) and reflect on America. So many compassionate Americans have helped heal many in my village – from American Medical Doctors, to Medical Students, to teachers, Churches, to schools and to Hollywood mega entertainers. Say a prayer to all who lost loved ones and pray for the total healing of that great American spirit.

In the next 11 days – share this video with every American you know with your message of appreciation and gratitude for the nation we mostly overlook to thank.

God bless you. – [Princess4Peace](#)
