

Key Airborne ISR professionals gather in London this October

SMI's Airborne ISR conference will take place on the 26th - 27th October 2015, London UK

LONDON, UK, September 16, 2015

[/EINPresswire.com/](http://EINPresswire.com/) -- The increased use and investment in [airborne ISR](#) capability is a trend that has swept across both established and emerging militaries on a global scale. By providing accurate and timely intelligence, situational awareness is enhanced and force multiplied.

Airborne [ISR](#) 2015 aims to cover a variety of key areas, ranging from well-established NATO programmes such as the JISR, to the independent efforts of member states. Additionally, the effective integration of ISR assets, individual and joint training programmes, minimisation of operational costs and the emergence of cutting edge technology shall all feature heavily.

The two day conference agenda will feature over 12 case study driven presentations, speakers representing both military and industry, two panel discussions and up to 6 hours of networking for delegates attending.

The conference will attract a room full of airborne ISR professionals, with a global audience of senior industry thought leaders. Companies confirmed to attend include: BOSH Global Services/Momentum Aerospace Group Global Services, Danish Armed Forces, Danish Army Intelligence Centre, Defense Command Denmark - Air Force Staff, DSTL, Flight Global, French Air Force, General Atomics Systems Integration, Georgia Tech Research Institute, IHS Janes, Joint Air Power Competence Centre (JAPCC), NATO, NATO Headquarters, NATO Industrial Action Group (NIAG), NATO Shape, Royal Air Force, Royal Navy, Swedish Army, Turkish Air Force, UltiSat, University of Oxford, US Air Force plus many more...

The 2015 line-up will feature high level military and industry speakers including:

- Air Commodore Paddy Teakle, Deputy Commander, AEW&C Force Command, NATO
- Brigadier David Evans, ACOS IS, Information Superiority, Royal Navy
- Colonel Laura Ryan, Director of Policy, Plans and Assessments, 25th Air Force, United States Air Force
- Lieutenant Colonel Christophe Fontaine, Commander, 1/33 Belfort Wing, French Air Force
- Lieutenant Colonel Carl Magnus Svensson, Commander of 32nd Intelligence Battalion, Light Hussars, Swedish Armed Forces

- Squadron Leader Steve Knight, 54 Squadron, Commanding Officer for Rivet Joint, RAF
- Colonel (ret) Levant Selvi, Former Division Head, ISTAR Division, Turkish Air Force
- Robert Murray, Head of ISR, Defence Investment Division, NATO
- Dr Hans Elias de Bree, Director for Research and Development, Microflown AVISA
