LOS ANGELES, CALIFORNIA, USA, September 16, 2015 /EINPresswire.com/ -- [Little Studio Films](#) announces new film by Giacomo Arrigoni "[The Rule of Lead: Golden Spirit](#)" and launches [IndieGoGo](#) fundraiser.

"The Rule of Lead: Golden Spirit" will be the American debut film from Italian director Giacomo Arrigoni. Produced by Alexia Melocchi and Alexandra Yacovlef of Little Studio Films, it will be the remake of the director's first film, "La Regola del Piombo" which was shot in 2014. American jazz vocalist, songwriter, and actress Ariana Savalas, daughter of iconic actor Telly Savalas, the legendary TV Star of the "Kojak" series, who is currently on tour with Postmodern Jukebox will play the lead role of Lara. The director has chosen her to play Lara because "Ariana has a great intensity. She appears strong and brave but at the same time she's very tender and open to deep emotions".

"The Rule of Lead: Golden Spirit" main theme is about love being the alchemical catalyst that transforms our souls from

lead into gold, and makes the invisible, visible. It is also about the fight against the plague of the "invisible children", young boys and girls kidnapped and exploited for criminal intentions all over the world.

“

"Giacomo Arrigoni is a film maker that creates art with meaning. We are proud to be his Producers and to help bring awareness to the rampant abuse and exploitation of children."

Alexia Melocchi, Alexandra Yacovlef

An international crowdfunding campaign has been launched to transform the core message of the film, described by the director as a dark fairy tale with a socially meaningful objective to make the public an active part in the production of the film so that 10% of the net profits will be donated to child abuse and exploitation charities.

Little Studio Films will handle worldwide distribution for the film, which is slated to begin production in early 2016.

Giacomo Arrigoni won several international awards both with his first film "La Regola del Piombo" (awarded in Houston at WorldFest and in Miami at the Bright Minds Film Festival), and
