

Pricefox set to disrupt Canadian retail industry

VANCOUVER, BRITISH COLUMBIA, CANADA, September 17, 2015 /EINPresswire.com/ -- [Pricefox](#) (www.gopricefox.com), a Vancouver based startup, has created a new technology for people to find products on nearby store shelves.

"This is a game changer" says Pricefox co-founder Vedran Budimcic. "Now, for the first time, people can use a search engine to find nearby products - and even compare in-store prices. You can't Google this information, but you can [Pricefox it](#)."

The location-based [product search engine](#) app has a quickly growing database of over 30 million products, across a wide variety of categories including groceries, health, beauty, technology, entertainment and home accessories.
