

Signature Office Centers Opens New Office Space In Chicago Loop

The new space is on Wabash Avenue in the South Loop and includes executive suites, virtual, and shared office space in Chicago.

CHICAGO, IL, USA, September 18, 2015 /EINPresswire.com/ -- [Signature Office Centers](#) opened a new location at 333 S. Wabash in Chicago on September 1, 2015. The offices are located on the 27th Floor of the CNA building, in the heart of the South Loop easily accessible by CTA brown, purple, orange, green, red, and blue lines as well as Metra and Metra Electric trains arriving at Union, Ogilvie, and Van Buren Street Stations. The South Loop is the fastest growing part of the city and the newly constructed office center offers views of the city, Lake Michigan, Millennium Park, and Grant Park.

The new office center offers virtual offices, executive offices, and collaborative or co-working [office space in Chicago](#). In addition to easy access to public transportation, office center amenities include:

- Wi-Fi throughout (24 antennas)
- 100 Mbps fiber connection
- Full-sized health club available
- Owners on-site
- Shared café with free coffee and gourmet food court
- Professional staff
- Latest Mitel IP phones
- Spectacular views
- Newly designed offices
- Flexible furniture configurations
- Covered bike parking

The executive office spaces accommodate between 1 to 20 people and are impressively located right in downtown Chicago. The open office configurations encourage collaborative processes and make co-working easier, comfortable, and professional. The space includes two 15 X 20 ft. training rooms.

Those interested in an occasional or virtual office in Chicago will find the Center flexible and affordable. Access to the space is available as-needed and does not require a commitment to a full-time office. Lessees can customize the number of hours they use the space as well as the services they receive.

"The space is so impressive, it even makes the seasoned leasing agents go Wow," said Trevor Marticke, Associate Director at Cushman and Wakefield.

The center is owned and operated by [Rich Wagner](#), Wagner has many years of experience with shared office space in Chicago, but it is his background in construction that is reflected in the finishing touches of the space.

"While the space is very well appointed, the pricing of the space is not and there is an office to meet everyone's budget," explained Wagner.

A virtual tour of the space is available on Signature Office Centers' newly designed web page at www.sigoffices.com.

About Signature Office Centers: Signature Office Centers offers professional office space in the South Loop with spectacular views of Lake Michigan, Millennium Park, and Grant Park. The newly constructed space has a variety of office sizes to meet every budget. The owners of Signature Office Centers have over 20 years of combined experience in the office suite business and are dedicated to providing the highest level of service in the industry.
