

Eton Institute Runs to Encourage East Brooklyn Residents Adopt A Healthier Lifestyle.

Eton Institute is running the East Brooklyn 5k run/walk marathon to support the residents of East Brooklyn and their movement to create a better lifestyle.

NEW YORK CITY, NEW YORK, UNITED STATES, September 18, 2015 /EINPresswire.com/ -- [Eton Institute](#), a leading international language and professional development-training provider, is supporting the movement of a healthier lifestyle within the community of East Brooklyn, by participating in a 5km run, organized by Jones Innovative Group.

This initiative is to inspire and encourage a new lifestyle to Brooklyn's neighborhoods and emphasize the importance of a healthy regiments and educating others to live by it. All participants will be invited to join free activities during the marathon that will include marching bands, Zumba, line dancing, rock climbing and healthy food and beverage choices. There will also be free giveaways, healthy living information, fresh produce and exclusive coupons from corporate sponsors.

"As part of our ongoing corporate social responsibility initiatives, we encourage small lifestyle changes among communities that will make a big impact, and lead to healthier lives," commented Denisse Grullon, PR & Marketing Associate. Florence NG, a blog writer for UdemyBlog also added "A healthy lifestyle should be a way of living, and not just a temporary fix a cold or to negate a gluttonous weekend. Once you get into the habit of maintaining a healthy routine, you will be able to see, feel, and experience the benefits of a healthy lifestyle".

\$10 of each registration fee will go directly to the Community Partner of their choice. Each listed Community Partner will provide a service that demonstrates and promotes healthier lifestyles for Brooklyn communities. The 5k run will be taken place at Linden Park (Gershwin) located at Linden Blvd and Vermont Ave.
