WILMINGTON, DE, USA, September 22, 2015  
/EINPresswire.com/ -- NCM Online ([www.ncmonline.com](http://www.ncmonline.com)) -- a leader in the publication of data-driven web hosting reviews, fastest web host rankings, and promotional discounts -- has published its 100th coupon code on Pinterest, an A2 Hosting price reduction (<http://www.pinterest.com/ncmonline/web-hosting-coupon-codes/>).

With more than 1,000 followers, the page has become a prime destination for webmasters, bloggers, small business owners, web developers, and internet marketers seeking discounts on web hosting services.

"We found it appropriate for our 100th coupon code to be an A2 Hosting discount," said NCM Online editor, Anthony Ailed. He added, "As winner of the NCM Online awards for 'Best Web Host 2015' and 'Fastest U.S. Web Host 2015,' we have found A2 ( [read review](#) ) to be a trustworthy supplier of reliable, and reasonably-priced high-speed hosting services."

"We are quite proud of the Pinterest page. It is constantly updated with new promo codes, flash sales, and price reductions from a wide range of web hosting companies," commented NCM Online editor, Patricia Roberts. She continued, "From our very first Pinterest post -- a GoDaddy offering -- we have endeavored to provide consumers with the information required to purchase hosting from their supplier of choice at the lowest possible price."

NCM Online's efforts on Pinterest have resulted in an easy-to-use and dependable source for up-to-the-minute web hosting coupons codes, flash sales, and discounts -- presented without editorial bias or any of the negative connotations associated with affiliate links.
