

Naperville Estate Planning Attorney Answers Most Common Questions on Estate Planning in New Book

Naperville estate planning lawyer Denice Gierach has written "Your Worry-Free Legacy: Everything You Need to Know about Estate Planning in Illinois."

NAPERVILLE, IL, USA, September 23, 2015 /EINPresswire.com/ -- [Denice Gierach](#) of [The Gierach Law Firm](#) has written a book entitled, *Your Worry-Free Legacy: Everything You Need to Know about Estate Planning in Illinois*. The book is organized in an easy-to-read Question-and-Answer format, making it possible for readers to get answers to their most pressing questions quickly. The book addresses concerns regarding probate, wills and trust, retirement planning, estate planning when you own a family business, charitable giving, and more. *Your Worry-Free Legacy: Everything You Need to Know about Estate Planning in Illinois* is currently listed on Amazon.com for \$24.99.

Gierach is a [Naperville estate planning](#) attorney and CPA and is the founder of The Gierach Law Firm. She brings 30 year of experience to her clients, specializing in the areas of: Business Formation, Tax Planning, Commercial Real Estate, Business Succession Planning, Estate Planning, and personal matters. Writing a book has long been a goal of Gierach's.

"I had been wanting to write a book for a while now, because I had so many people asking the same questions. And I realized that the answers I gave, the information, had a broader appeal, beyond just our clients," said Denice Gierach, Founder and Managing Member, The Gierach Law Firm (www.gierachlawfirm.com).

Gierach's approach to the book is similar to her approach to client service as a Naperville business attorney - start with client needs or concerns and develop solutions from there. The book covers all of the most common estate planning questions the Naperville estate planning lawyer hears, such as:

- What is a will? What is a trust? What benefits do they offer?
- Why do I need estate planning?
- What are the taxes that I might have to pay?
- How is my business affected by my death?
- How can I leave a legacy for my children?

Testimonials for the book are positive, with readers praising the Naperville business lawyer's ability to break down complex information on what are typically emotional topics.

"People work hard all their lives to earn money, but very few of them take steps to manage that money when they are gone. Without a formal estate plan, there is no guarantee that a person's wishes will be fulfilled after their death. This book helps readers understand what is involved in an estate plan and what steps they can take now to ensure the money and assets go to the right people upon their passing," explained Gierach.
