*The National Association of Neonatal Therapists Announces Keynote Speaker for Annual Conference*

CINCINNATI, OH, USA, September 23, 2015 /EINPresswire.com/ -- The National Association of Neonatal Therapists ([NANT](#)) announced today that it has secured bestselling author [Glennon Doyle Melton](#) as keynote speaker for the 2016 NANT Conference.

Glennon Doyle Melton is the author of the inspiring and hilarious New York Times bestselling memoir, *Carry On, Warrior* and is a regular contributor at HuffingtonPost.com and other publications. She inspires audiences with her authentic, empowering, hopeful, and fresh perspective on healing.

In addition, Glennon is the founder of Momastery.com, an on-line community where hundreds of thousands of readers meet daily to experience her shameless and laugh-out-loud funny essays about marriage, motherhood, addiction, recovery, and serving the marginalized.

She is also the creator and president of Together Rising, a non-profit organization that has revolutionized on-line giving through "Love Flash Mobs" and has connected countless families in need with hundreds of thousands of dollars in critical resources.

"We love combining powerful and inspiring keynote speakers with experiential learning, research, and relationship building through professional networking," said NANT Founder and President Sue Ludwig, OTR/L.

The [6th annual NANT Conference](#) will be held April 15-16, 2016 with Pre-conference on April 14 at the Omni Orlando Resort at ChampionsGate, Orlando, Florida.

"Glennon is the perfect match for this year's conference theme "All In". For NICU professionals, 'All In' means more than being highly specialized in this field. It means they must let go of their perfectionism and baggage to be intentional and effective caregivers within a unified team. Glennon gives us permission to be imperfect and human while striving to be fully committed to our patients and ourselves" said Ludwig.

The National Association of Neonatal Therapists (NANT) is an organization created specifically for

neonatal occupational therapists, physical therapists, and speech-language pathologists. NANT provides multiple ways for neonatal therapists to connect, learn, mentor and inspire while advancing this focused field of therapy on a global level.
