HotPrintsUSA.com Moved to 55printing.com September 1st 2015

Customers are now finding out about a new player in the online design and printing field thanks to an strategic move made by 55printing.com by acquiring...

LOS ANGELES, CA, USA, September 20, 2015 /EINPresswire.com/ -- HotPrintsUSA.Com is now 55printing.com. The re-location of the .Com is a positive growth oriented decision and customers have discovered 55printing.com easier to use, and easier to order from. The new site also features an online [design](#) studio that is also very user friendly.

At 55printing.com. people can design their print product on the spot. The Company supplies extraordinary [templates and designs](#), and also allows users to upload their own design parts to feature in a large selection of print works such as business cards, brochures, flyers, stationary, letterhead and direct mailing postcards and cheap door hangers.

The Company is presently featuring a 5% off deal new customers on [printed](#) and design products, as well as a free design review on each and every order. The Company also welcomes custom print orders from clients, where the 55printing.com designers do the work for the customer.
