*ITGP announces it is giving away a free ISO 9001:2008 to ISO 9001:2015 Conversion Tool*

ELY , ENGLAND, October 6, 2015 /EINPresswire.com/ -- To mark the publication of the new version of ISO 9001 – the international standard for quality management systems (QMSs) –ITGP is pleased to announce that it is giving away a free ISO 9001:2008 to [ISO 9001:2015 Conversion Tool](#) to help organisations transition their QMS to the Standard's new requirements.

The conversion tool provides organisations with expert commentary on the changes, a high-level mapping table between the two standards, and guidance on where clauses have been removed, relocated, adjusted and added to the latest version so that they can adapt their existing ISO 9001:2008-compliant QMS into an ISO 9001:2015-compliant QMS.

The tool features:

- A summary of the key changes
- Notable retentions
- A breakdown of requirements for documented information
- Structure and clause mapping

This indispensable resource will enable organisations to get ahead of their competitors by giving them the best head start on their QMS transition project, enabling them to demonstrate the quality of their products and services with the latest international best practice.

Using this tool, you will benefit from:

- Concise and thorough information
- Expert commentary
- Ease in identifying key changes to management system clauses

You can download your free copy of the ISO 9001:2008 to ISO 9001:2015 Conversion Tool here:
