

# Sanofi R&D, F.Hoffmann-La Roche, Amgen, GSK, Novartis to Meet in London next January at Pre-Filled Syringes 2016

*Pre-Filled Syringes Conference returns to London next January. The meeting will focus on the solutions to accelerate PFS development and technology advancements*

LONDON, LONDON, UK, October 8, 2015 /EINPresswire.com/ -- [Pre-Filled Syringes](#) 2016 returns to Copthorne Tara Hotel, Kensington, London, UK, next January, to look beyond upcoming obstacles which will help industry players prepare for better PFS solutions. With a selected 100+ representatives from the world's leading pharmaceutical, biotech and device manufacturers, delegates will learn the A-Z journey of PFS. This strategic meeting will enable attendees to bridge the technical and commercial gap to ensure you stay ahead of competition.

The 2016 agenda includes 16+ case studies from PFS leaders, 2 exclusive interactive workshops and over 4hr unrivalled networking time. Further information available at the event website [www.pre-filled-syringes.com/einpr](http://www.pre-filled-syringes.com/einpr)

The exceptional speaker panel 2016 will include elite PFS experts from Novartis Pharma AG, Allergan, MHRA, GSK R&D, Sanofi R&D, Amgen, F. Hoffmann -La Roche Inc, GSK, Barts Health Pharmaceuticals and many more.

As well as receiving the latest information about PFS, this conference will present attendees with the opportunity to network with Directors, VPs, Chiefs, Heads, Principals and Managers of Pre-Filled Syringes, Drug Device Engineering, Packaging, Production, R&D, Bioprocessing, QA/QC, Business Development and many more.

[Key benefits](#) for attending the 2016 conference include:

- Spotlight case study from F. Hoffmann-La Roche on usability challenges of PFS on combination products

The poster features the SMI logo at the top right. The main text reads: 'SMi Presents the 8th Annual Conference on... Pre-Filled Syringes'. Below this, it specifies the location: 'Copthorne Tara Hotel, London Kensington, London, UK' and the dates: '27th - 28th January 2016'. The background shows a close-up of a blue pre-filled syringe. At the bottom, a red banner contains the website address: [www.pre-filled-syringes.com](http://www.pre-filled-syringes.com).

- Amgen to demonstrate how human factor engineering can reduce risks by design
- Sanofi R&D showcases the path to auto injectors
- Allergan explains their safety assessment of E&L when developing PFS drug products
- GSK presents how to conduct thorough visual inspection of PFS
- Hear from regulator and join interactive discussions to benchmark your PFS strategy against peers'

In addition to being provided with information on the accelerating journey of PFS development, delegates have the option to take part in two interactive half-day [pre-conference workshops](#). Places for these workshops are strictly limited to ensure an interactive dialogue and optimal learning outcome for all who choose to participate.

1. Pre-Filled Syringes: Development, Packaging and Regulatory Considerations

Led by: Horst Koller, CEO, HK Packaging Consulting GmbH

2. Bridging the Gap - From Formulation to PF'S Device Engineering

Led by: Jean-Rene Authelin, Global Head, Pharmaceutical Engineering, Sanofi R&D

Pre-Filled Syringes 2016 Conference is proudly sponsored by BD Medical, Medical Device Usability, Mitsubishi Gas Chemical, Nemera, Nipro Pharma Packaging, Noxilizer, Owen Mumford and West Pharmaceuticals Services.
