

BUY BITCOIN WITH CREDIT CARD WORLDWIDE: EUROBITMARKET.COM BITCOIN EXCHANGE LOWERS FEES

LONDON, UK, October 9, 2015
/EINPresswire.com/ -- Bitcoin exchange EuroBitMarket.com is pleased to announce lower fees for payment card deposits in USD and EUR. Anyone can easily buy Bitcoin worldwide, with debit cards and credit cards issued in any local national currency.

EuroBitMarket.com claims to provide the best experience of buying Bitcoins with credit cards and debit cards. The assertion is based on the exchange's ideal conditions for quick and successful processing of card payments, the wide range of acceptable payment cards, and numerous positive feedbacks from users.

"Literally, we provide an opportunity to buy Bitcoin in just a few clicks with almost any type of the card issued in any currency of the world," Giacomo Bugini, CEO of EuroBitMarket.com. "This is one of the key advantages our exchange possesses, and together with our Plasso partners we continue bringing fees down and creating an even more attractive Bitcoin marketplace for broad audiences."

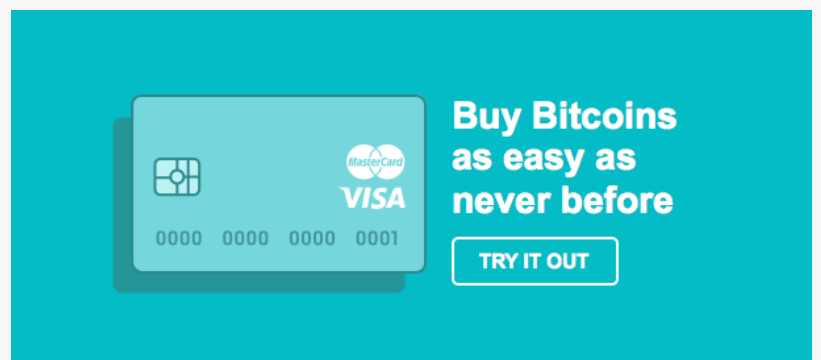

Users of EuroBitMarket.com Bitcoin exchange are able to fund an account up to \$100,000 per month.

The number of cards is absolutely unlimited. Card credentials are managed by Plasso Partner for fast and secure transaction. Thus, for all further deposits, users only need to choose a card from the list and confirm the payment.
