

Journalists Crowd Fund Their Brain

The one opportunity journalists have to use their creative ability to fund their retirement at nil cost

YORK, YORKSHIRE , UNITED KINGDOM, October 9, 2015 /EINPresswire.com/ -- The free brain training platform yobrain is perfect training for writers journalists ..The training is linked to their current work which is not just fact finding job but .but the best journalists need creative thinking .

May our dream be your dream"

ian amor

Because western education is academic based many writers dont progress their creativity training .their brains are "Fixed "

The yobrain training is based on recent research which concludes . The only way to build a creative brain is to input original ideas with passion .. (re recent research on how babies brains are built)

The funding page is linked .https://www.indiegogo.com/projects/achieve-your-dream-project/x/11668402#/

The blog www.blog.yobrain.com gives more informattion

It has been said " There are no new ideas but those have not viewed .posts on the blog See . "Taj Hotel: " " Creative Coffee : " " Creative Camels don't get the hump : "

Although the constant cry from industry is : " Invent or die ! " little changes in Education . " Why? "Because the leaders have as much creative vision as A FRIED BANANA IN A RAINSTORM ! Its not their fault ! Change will only come with a bottom up approach ...
