

# Announcing the Official Release of Cary Carbonaro's "The Money Queen's Guide"

*An uplifting and informative book that helps women obtain and then protect financial success through the evolution of their professional and personal lives.*

NEW YORK, NY, USA, October 13, 2015 /EINPresswire.com/

-- Are you a material girl? The truth is that, as women, we all have a unique relationship with money. We strive for financial security to support our family, ensure we can retire comfortably, create independence separate from our partners, and along the way, buy some nice purses. As much as we are motivated to make money, we often do not consider the crucial relationship between what we do today and how it WILL impact our life tomorrow. The Money Queen's Guide was created to help you build wealth and banish fear by helping readers to plan out their financial lives and plan for growth and success, while avoiding the pitfalls that can derail financial security along the way.

The Money Queen's Guide For Women Who Want to Build Wealth and Banish Fear is now on sale in stores and online at Barnes & Noble. Last week, prior to release, it became the No. 1 Wealth Management bestseller at Amazon.

#### About the Author:

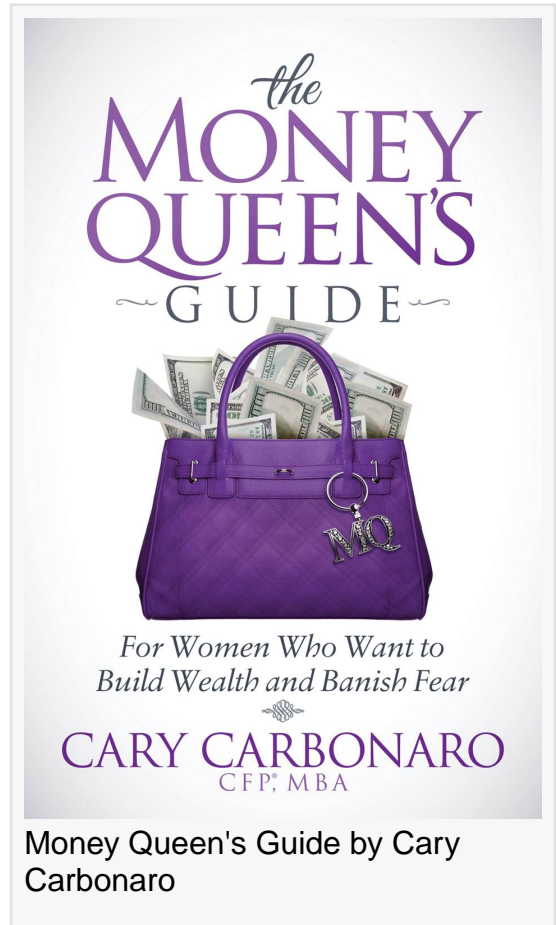

Cary Carbonaro is a Certified Financial Planner with an MBA in finance, and has over 25 years of experience in financial services. In 2014, she was named an Ambassador for the CFP® Board, one of only 50 in the United States. Cary is currently a Managing Director with United Capital and divides her time between New York and Florida. Cary is frequently sought out for her expertise and has been quoted in a variety of well-known publications, including: The Wall Street Journal, Newsday, New York Post, USA Today, The Street.com, Bloomberg, CNBC, Bankrate, Money Magazine, More Magazine, Kiplinger's and Investor's Business Daily, The Today Show, CBS, Fox News, ABC, NPR and WPIX (NY) and PBS Nightly Business.

Cary does an incredibly smart job of making you understand money instead of fearing it. If your dream is to build wealth and a lucrative future... this is a must read. She is indeed the Money Queen!

Host/Author of "The New Single"*

"I believe no one sets out to make money mistakes and sometimes even when we know it might not be the correct choice, we do it anyway," says Cary. "My book explores what to do in your roaring 20s to your thrifty 30s and all the way to smooth 60s. Financial security is an exciting journey that we can take together. So pack your purse and get ready for the ride!"
