

KETTLER USA Introduces New Children's Toys

Leading manufacturer of high-quality kids' toys and German-made bicycles unveils two new toys.

VIRGINIA BEACH, VIRGINIA, USA, October 13, 2015 /EINPresswire.com/ -- [KETTLER USA](#) releases two new items to their product listing. A new [6-in-1 Multi-Trike](#) and a new Caterpillar Metal Digger.

The durable ride-on [CAT Metal Digger](#) is recommended for kids from ages 3 to 6. This ride on toy is made of a sturdy, high carbon steel frame and created to look and function like CAT construction equipment. The fully functional large metal digging shovel rotates 360 degrees. The digger also comes with a mock hydraulic, spring assist dual action lever. The wheels are tracked for added mobility and safety.

"We are excited to have an additional item to our family of CAT licensed product. Ride on toys that dig, load, and move like the real equipment offer exciting opportunities for creative play," said Stephen Mannix, of KETTLER USA.

The 6-in-1 Multi-Trike is an exciting new product that has the ability to grow and evolve as your child does from ages 10 months to 4 years old. It starts out as a truly Parent-Friendly Stroller-Trike. The Multi-Trike has a unique feature that with the push on one button allows you to have the child either Rear Facing or Forward Facing. The Multi-Trike is made of a high-quality steel frame with an on/off front wheel freewheel system and Parent controlled steering. It also features a 3-point Safety Harness, detachable Front Safety Bar, UV-Protection Canopy, breathable seat cushion, handlebar clutch, Infant & Toddler footrests, and lots of storage with the hanging rear basket and removable storage bag. Quick adjust telescopic Push-bar with contoured comfort grip. To see this Trike in motion visit our website and view the video.

The high-quality children's toys are now available in limited quantities on the KETTLER USA website and through select retailers of KETTLER products.
