

BluePay Presenting at PC Scale Technologies User Conference CONNECT 2015

BluePay will be attending and presenting at CONNECT 2015, a user conference for PC Scale Technologies software.

NAPERVILLE, IL, USA, October 15, 2015 /EINPresswire.com/ -- BluePay, a leading merchant account provider for the waste and recycling industry, will be attending and presenting at [CONNECT 2015](#), a user conference for PC Scale Technologies software. The conference will take place October 21-23, 2015, at the Vdara Hotel & Spa, in Las Vegas.

[PC Scale, Inc.](#), a division of the AMS Group, is a top provider of route, scale, and field service management software for the solid waste and recycling industries. During the conference, users will learn about the software's latest technological advances, while receiving training on new upgrades and functionality.

The conference will also feature several PC Scale partners on Thursday and Friday, including presentations by BluePay on both days. BluePay's PCI secure payment and NACHA-audited solutions are directly and seamlessly integrated within the field software.

Allen Caviles, CIO for BluePay, commented, "BluePay's comprehensive line of secure payment technology solutions have helped many key players in the waste industry, and I'm looking forward to presenting at CONNECT 2015 and networking with new and current PC Scale users."
