

Birth Center Hires Local Specialist for New Position

Largo birth center hires well-known birth professional and communications specialist for their newly-created position of Community Relations Manager.

LARGO, FL, UNITED STATES, October 21, 2015 /EINPresswire.com/ -- Breath of Life Women's Health and Birth Center announced today that communications specialist June Connell has joined the birth center as its first-ever Community Relations Manager. For the last nine years, June has worked in the Tampa Bay birth community as a certified childbirth educator, birth doula and prenatal yoga teacher. That experience, combined with decades of experience in media and communications in the New York Metro area, makes her a perfect fit to help grow and lead the birth center's new community outreach efforts.

New Community Relations Manager for Breath of Life

"I am so excited to have an expanded role at Breath of Life," said June, who has

taught birth classes at the center since 2008. "To work with the skilled and experienced [Certified Nurse Midwives](#) is such an honor. I am committed to helping the center create a solid community of pregnant and new parents to help provide them with the resources they need during the life-changing transition to parenthood."

“

June will be an instrumental part of the birth center's growth. We are happy to have her on board."

Glenda Pearson

Glenda Pearson, Executive Director of Breath of Life, said "June will be an instrumental part of the birth center's growth by expanding our classes, creating and overseeing our fundraising events, increasing our online presence through blogging and social media campaigns, and opening our reach to new audiences. We are happy to have her on board."

About Breath of Life Women's Health and Birth Center:

Founded in 2007, Breath of Life was established to provide women in the Tampa Bay area with a safe alternative to traditional medical care before, during and after their childbearing years. Staffed by award-winning Certified Nurse Midwives, Breath of Life is Florida's only nationally-accredited birth center and offers exceptional care for women who are seeking a natural pregnancy, labor and birth, as well as for those seeking a more personal well-woman care experience. Breath of Life follows the

[Midwives Model of Care](#) and has so far welcomed more than 800 babies into the world in its three water birth-ready birthing suites. The center is a division of New Life Solutions and welcomes women of all faiths and backgrounds.
