

ITpreneurs Announces Pricing for Upcoming ITIL_ Practitioner Courseware

ITpreneurs helps training providers keep up with changes, scale your business and increase your profitability.

ROTTERDAM, THE NETHERLANDS, October 22, 2015 /EINPresswire.com/ -- ITpreneurs has just announced pricing for the upcoming release of its ITIL Practitioner Courseware. It is currently in development by a core team consisting of ITIL and learning innovation experts and is supported by a review board consisting of ITIL leaders from around

the world. The ITIL Practitioner Courseware portfolio will be available for licensing to coincide with the launch of this highly-anticipated new certification by AXELOS Global Best Practice.

Benefit from High Quality, Low Barrier, Easy-to-Access Training Content

ITpreneurs has its roots in the ITIL training market and we clearly see the value ITIL Practitioner will bring to IT professionals.

*Arjan Woertman, VP R&D,
ITpreneurs.*

Based on a strategic partnership with AXELOS, ITpreneurs wants to support the adoption of this new, very relevant certification and offers training providers access to a high-quality training content at a very economical price. Training providers can begin offering the ITIL Practitioner training, without needing to pay for the upfront content development costs.

Great Product, Great Pricing

Training materials are available at three price points for three regions as per the ITpreneurs standard regional pricing policy:

\$19, \$29 and \$35 per learner license for Region 3, Region 2 and Region 1 respectively. Euro pricing is available for European countries. Find the price for your country by following this [link](#).

You can choose from three delivery formats for the learner content: eBook, a secured digital version to print, or a printed hard copy (printing surcharge is added for this format and varies per region/country).
