

Every Market Media Relocates Headquarters to Logan Square

Every Market Media has recently moved its corporate office to the heart of the Logan Square neighborhood in Chicago, IL.

CHICAGO, IL, USA, October 22, 2015 / EINPresswire.com/ -- Every Market Media has recently moved its corporate office to the heart of the Logan Square neighborhood in Chicago, IL. Logan Square is located in northwest Chicago and is a vibrant, eclectic neighborhood with a rich history and deep community roots that is easily accessible to downtown via public transportation.

Every Market Media's new headquarters, 2518 W Armitage, Suite 2, Chicago, IL, is approximately 1 mile northwest of the previous location in Wicker Park and 3 times its size. EMM's need to expand into a larger office space is a direct result of their recent growth and is forecasted to continue.

Much of EMM's growth is attributable to their transition to these primary business offerings:

• <u>Strategic Partnerships</u>: Custom engineered applications built to meet clients' unique database or marketing needs

• Custom Database Installs: Options to access complete files and custom built large file segments for marketing, non-marketing or resale purposes

•Database Management: Technical capacity has been expanded to support the growing, emailcentric core assets of B2B, International B2B, and B2C databases

To support Every Market Media's expanding client base and ensure the highest quality of service is maintained, EMM is currently hiring for new roles in the following specialties:

 Bales Marketing Brogramming

New features have also been added to EveryMarketMedia.com to enable prospective clients to peruse <u>pricing options</u> and request <u>custom counts</u> online.

Every Market Media stands behind the quality of their email data with a 100% replacement of failure guarantee, which means little risk and high deliverability. Request a sample file of Every Market Media's B2B, International or B2C Databases at http://everymarketmedia.com/contactus/.

Every Market Media stands behind the quality of their email data with a 100% replacement of failure guarantee, which means little risk and high deliverability.
