

White Dove Young Guns: Leadership for the NEXT Generation

In a culture of moral relativism, White Dove has engaged in a somewhat controversial method of teaching today's young people. They use a BIBLICAL WORLDVIEW.

HARVEY, LA, UNITED STATES, October 26, 2015 /EINPresswire.com/ -- Pastors Mike & Elaine Millé, 30 years ago, started a sovereign work of God on a dead end street in downtown metropolitan Harvey, LA.

Mike and Elaine brought with them into the ministry an incredible work ethic and vision that has allowed [White Dove](#) to become an international ministry, reaching into hundreds of works around the world and doing the hard work of the Great Commission as given to the Church by the Lord Jesus Christ himself.

This is what makes the most recent changes at White Dove Fellowship so exciting and innovative for the future of the children and families of Southeast Louisiana. Rev. Trey Roberts for the last 6 years has overseen and led the Children's Ministry at White Dove Fellowship. Building upon the leadership of Rev. Donald Dupont, Trey was able to grow and stabilize the Children's Ministry by bringing in cutting edge curriculum and enlisting new excited volunteers.

Now, Rev. Nathan Wells, son-in-law and recent graduate from Oral Roberts University, is taking vision and excitement to a whole new level. Nathan has establish an electronic check in system and will be implementing lighting and building improvements that will cause children from all parts of the 5 Parish area of New Orleans to want to come to church. A feat unseen in the last 20 plus years in New Orleans.

[Pastor Mike Millé](#) is the best selling author of the recent book, [RECOGNIZING AND DEFEATING THE DEMONIC](#), which can be bought exclusively at Amazon.com.
