*Olympia Moving & Storage, a premier Washington, DC moving company, is proud to announce the opening of a second DC area location in Sterling, VA.*

STERLING, VA, USA, November 3, 2015 /

EINPresswire.com/ -- Olympia Moving & Storage, which is headquartered in Boston, MA, has been serving families in Washington, DC, Northern Virginia, and Maryland since they opened their first DC area location in Alexandria, VA in 2001.

The DC area is one of the most competitive markets in the country for the moving and storage industry, but Olympia Moving has found success with families in DC, Northern Virginia, and Maryland by being more than just a moving company. The company boasts an unparalleled crew of moving professionals, an accountable customer service staff, and relocation concierge services. Olympia Moving is also involved in the community through sponsorship with Special Olympics Virginia.

"Families in the DC area have really responded to the relocation experience Olympia Moving & Storage offers," says Michael Gilmartin, Founder and President of the company. "The existing demand for Olympia Moving's services in Loudoun County made Sterling a natural choice for our expansion."

The new Sterling, VA location will allow the moving company to better serve their Sterling, Dulles, Ashburn, Leesburg, Chantilly, Potomac, and Rockville clientele. Olympia Moving already moves hundreds of families to and from Loudoun County every year, but the new facility will minimize travel time for the crew, saving families money, and providing more convenient full service storage space.

The new storage facility in Sterling is a 20,000 sq. ft., state-of-the-art warehouse. After acquiring the facility, the Olympia Moving team has been working diligently to ensure that the Sterling facility meets Olympia Moving's high storage standards including: 24-hour security systems, climate control, a dedicated warehouse staff, and immaculate condition.
