

Adam Elements Announces New Rose Gold PeAk Cables with Universal Compatibility for Waterproof Cases

The brand new PeAk Rose Gold cable joins the exclusive, highly-popular iKlips Rose Gold and makes the perfect match for the new Rose Gold iPhone.

TAIPEI , TAIWAN, November 9, 2015 /EINPresswire.com/ -- Adam Elements, a leading smart lifestyle and Apple accessories brand, today introduced a fresh new [Rose Gold](#) finish for its range of Apple MFi certified Lightning-to-USB cables, as well as design improvements for the PeAk Duo that promise complete compatibility with any iPhone or iPad case in line with the already compatible [PeAk cables](#). The latest color – a gorgeous, gleaming Rose Gold – matches perfectly with the iPhone 6s & iPhone 6s Plus and features a premium aluminium shell for the perfect must-have iPhone accessory.

For charging or sync, premium AdamLine PeAk cables are engineered for unrivalled durability and an extended lifespan. Designed to be 2-3mm thicker than standard cables and constructed from high-quality woven nylon fiber, AdamLine cables are engineered to address the problem of charging cables that don't last long enough.

AdamLine PeAk cables for iPhone & iPad – the best [Lightning cables](#) you'll ever need – are the first on the market with universal compatibility for iPhone & iPad cases, including waterproof cases for genuine convenience. The PeAk Duo has now been improved to offer the same waterproof compatibility as the existing PeAk series. Charging and sync is simple without ever having to remove the case.

Lightweight & polished, Adam Elements designs premium Apple accessories with extra care for details – bringing the world's best mobile products, smart wearables and intelligent accessories together under one roof. Adam Elements PeAk cables are available in a range of vibrant colors and lengths, including a 3-meter cable to stretch out and relax without interruptions when your battery is low.

The PeAk Duo also works with Android devices, featuring a 2-in-1 adjustable connector that fits both Lightning and micro-USB. And with a micro-USB connector, PeAk Duo cables can work with portable power banks, meaning you'll only need to take a single cable with you to charge your devices on-the-go. For charging and sync, PeAk Lightning cables are sleek, tough and functional and the Rose Gold finish is the perfect finishing touch.
