

# BluePay Team Speaking at Service Autopilot 2015 Member Conference

*BluePay is proud to sponsor and present at the Service Autopilot 2015 Member Conference, November 12-13, 2015, at the InterContinental Dallas, Texas.*

NAPERVILLE, IL, USA, November 10, 2015 /EINPresswire.com/ -- [BluePay](#), a leading payment processor focused on partnering and integrating with business management software solutions, is proud to sponsor and present at the Service Autopilot [2015 Member Conference](#), November 12-13, 2015, at the InterContinental Dallas, Texas.

Service Autopilot software is designed to manage all aspects of lawn care, cleaning, snow removal, and field services business. From scheduling to marketing to tracking employees, this solution helps business owners stay in control. The two-day conference is targeted at users who want to grow their business, connect with other users, and learn best practices for their industry including securely accepting payments.

BluePay will be represented by three guest speakers at the member conference, including Juan Ortiz, EVP of National Sales and a veteran inspirational speaker with over 25 years of experience. Ortiz will deliver a keynote speech entitled, The Most Interesting Man in Payments, focused on helping business owners stand out in their industry. Chief Customer Officer, Nicole Palella, will be speaking on the topic of security and PCI compliance, helping users to understand the myths surrounding this topic and ways to protect their business. Randall Flagg, National Account Manager, will dive into the history of payments and the benefits of accepting credit cards.

Ortiz commented, "We're very proud to be invited to participate at the Service Autopilot Member Conference this year. As we move into 2016, we are focusing our efforts on software integration and helping our partners build their payments business. Speaking at conferences like this one is a way for BluePay to create awareness and educate our clients."
