Goshen Area Real Estate Professionals Pay It

Forward with Heroes Home Advantage

November 13, 2015 – Goshen, NY – Heroes Home Advantage proudly announces that real estate agents Jeanine Panarelli, Ann Marie D’Aliso, Christina Rodrigues, Connie Tetzlaff, Lucille Cimorelli, Mary Ellen Riveccio, Rebecca Wilhide and Susan Schuster of Panarelli Realty in Orange County have renewed their commitment to giving back to their local Heroes for a second year. Home inspector Keith Allen of Home Advantage Inspection Services and loan officer Michael Giannetto of Residential Home Funding have also renewed their partnerships to give credits and discounts for a second year.

The real estate rebate program provides rebates, discounts and credits to local heroes who are purchasing or selling a home. This group of real estate professionals has demonstrated their commitment to helping those who protect and enrich the lives of Orange County residents for the past year. Through the Heroes Home Advantage program, the Realtors with Panarelli Realty will donate 25% of their entire company’s commission in cash back or credit as allowable per the Realtor’s state. Lenders and home inspectors will also be providing discounts and credits to their hero clients through the program.

“Walter Weaver was an ESU police officer Truck #3 out of the Bronx. He was a part of my family as he was my brothers’ best friend since they were little. They did everything together and even after they were grown, there wasn’t a special occasion or holiday when Wally wasn’t with us. Wally and my brother were both planning their weddings when Wally responded to the tragic events of 9/11. He was trying to rescue an elevator full of people in one of the Towers. His sergeant told us later on that he heard Wally on the radio telling the passengers of that elevator that he would not leave them, no matter what. When that building collapsed, he went down with the passengers he was trying to save. Whether or not he would have had enough time to get out of the tower and save himself, we will never know. Wally said he wouldn’t leave them and he didn’t. He paid the ultimate sacrifice while doing the job that he loved so much. When we see his name on the bottom of the TV screen every September 11th during the live memorial services, it is a somber reminder that there are many Heroes that give selflessly to our country and communities that do not always get the recognition they deserve.” Said Jeanine Panarelli, Owner/Broker of Panarelli Realty. “When I was approached to offer the Heroes Home Advantage program in my office I jumped at the opportunity. I thought it was the least I could do, as my special way of saying Thank You. Whether it be for members of the military, police department, fire department, first responders, teachers, doctors or nurses, we want to show our heartfelt appreciation for all they do by providing the professional services they need while saving them some of the money that they work so hard to earn. I am proud to be a part of the Heroes Home Advantage family of Realtors. Whether buying or selling a home, we look forward to serving our

Heroes the way they serve us, with complete honor and dedication. May God bless our Heroes and their families.”

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country.

#### About Heroes Home Advantage

Heroes Home Advantage was founded in 2011 by Michele Ladd in Rochester NY. Ladd's son Tommy, a United States Marine Corps combat veteran, completed two deployments to Iraq while her second son Tyler served in the United States Navy. Upon the two returning home safely, Michele decided to give back to local heroes and began reaching out to real estate professionals across the country to help her in her plight. Heroes Home Advantage is growing and is currently in 32 states with over 700 Realtors, lenders and vendor partners. To date, the organization has helped America's heroes save nearly \$4,000,000 in credits, rebates and discounts to say “thank you for your services to our country and communities.”
