

S-CUBE Fixtures offers private-label brands unique display solutions

S-Cube Fixtures is a new Specialty Store Services division that will exhibit at Private Label Trade Show in Chicago IL.

DES PLAINES, ILLINOIS, UNITED STATES, November 16, 2015 /EINPresswire.com/ -- DES PLAINES, IL (November 16, 2015) - As store brands move into another phase of growth, a powerful driver of that expansion will be the way the products are displayed. Innovative new private-label products demand creative fixture solutions.

Retailers attending the Private Label Trade Show Nov. 15-17 in Chicago in search of new private-label products will now also be able to discover unique ways to display that merchandise. Fixture design experts from S-CUBE will be on hand to consult and discuss the complex requirements of private-label brand rollouts.

S-CUBE, the custom fixtures division of Specialty Store Services, provides outstanding store fixture solutions and extraordinary service experiences to help create exceptional retail environments. The company will exhibit in Booth #3937 at the show.

About S-CUBE

S-CUBE is the newly launched custom fixtures division of Specialty Store Services. For the past 30 years our custom division has been operating under the Specialty Store Services name in conjunction with our catalog division. The custom side of our business has grown three-fold in the past several years. To better service the unique needs of our custom program customers, we are proud to announce that S-CUBE is now a distinct division from our continuing catalog business. This new structure provides you with dedicated staff experts in sales, project management, and engineering to better support the complex program requirements of custom fixture development, production, and distribution. Visit scubefixtures.com for more information.
