Under the patronage of KNPC, this event was launched in 2015 and is now considered to be Kuwait's flagship event for discussions on enhancing maintenance strategies. These include improving the shelf life of assets, monitoring and inspecting critical equipment to avoid emergency shutdowns, using low-cost technologies that will improve reliability of equipment, and automating real-time tasks and work orders to manage inventory and ensure supply of spare parts.

Distinguished VIP speakers include:

- Mohammad Saud Alshammari, Manager - Maintenance, Shuaiba Refinery, KNPC, Kuwait
- Abdelhadi Al Suhaimi, Vice President - Maintenance, Saudi Chevron Phillips, Saudi Arabia
- Ali Al Lawati, Surface Engineering Chief, Petrogas, Oman
- Abdul Hadi Al Huwailah, Acting TL Gas Maintenance - North & West Kuwait, KOC, Kuwait
- Bernard Quoix, Head of Rotating Machinery Department, Total, France
- Abdulaziz A. Al-Bakri, EBBA, Senior Manager Operations Support - Upstream Operations, Dolphin Energy, Qatar
- And many more...

The 2nd Annual Maintenance Kuwait Summit will include practical case studies, technical presentations, interactive workshops and roundtables, plus a new challenges versus solutions session. Hear from the top NOCs in the region and internationally including KNPC, KOC, PIC, Equate, MOL, QP, Dolphin Energy, QAFAC, Star Energy, Petronas, Petrogas, ZADCO, Shell, Total and more across GCC, Europe and Asia.
