About Heroes Home Advantage

Heroes Home Advantage was founded in 2011 by Michele Ladd in Rochester NY. Ladd's sons Tommy, a United States Marine Corps combat veteran, completed two deployments to Iraq while Tyler served in the United States Navy. Upon the two returning home safely, Michele decided to give back to local heroes and began reaching out to real estate professionals across the country to help her in her plight. To date, the organization has helped America's heroes save nearly \$2,000,000 in credits, rebates and discounts to say "thank you for your services to our country and communities."
