The real estate rebate program provides rebates, discounts and credits to local heroes who are purchasing or selling a home.

"I am the son of a US Navy veteran, my Father. He served in Vietnam. I am the grandson of a US Army veteran, my late Grandfather. He served our nation in WWII. I am also related to or friends with countless sailors, soldiers, nurses, doctors, police officers, teachers, and firefighters; people that have chosen an endeavor that puts them in harm's way to either protect the public, save lives, or enable others to further or enrich their lives through education. I respect this group of individuals greatly and am honored to run my own business in a way which affords me the opportunity to directly give back to them," said Josh Underwood .

About Heroes Home Advantage

Heroes Home Advantage was founded in 2011 by Michele Ladd in Rochester NY. Ladd's sons Tommy, a United States Marine Corps combat veteran, completed two deployments to Iraq while Tyler served in the United States Navy. Upon the two returning home safely, Michele decided to give back to local heroes and began reaching out to real estate professionals across the country to help her in her plight. To date, the organization has helped America's heroes save nearly \$2,000,000 in credits, rebates and discounts to say "thank you for your services to our country and communities."
