

The Rise of the GioSport Running Belt

In May of this year, the noted sportswear company GioSport released an innovative running belt on Amazon

SAN DIEGO, UNITED STATES, November 26, 2015 /EINPresswire.com/ -- Since it was released, the GioSport [Running Belt](#) has received over five hundred positive customer reviews online. Many customers who purchased the running [waist pack](#) have left detailed reviews raving about the product's many benefits and uses. They often comment on the compact size, comfort and multi-uses. The running belt currently has an overall average review score of 4.8 out of 5.

This influx in positive reviews has caused GioSport to make an unprecedented name for themselves within the sports industry and has allowed their new product to quickly climb the Amazon Bestseller Charts. It currently ranks as the eleventh most popular waist pack on the website.

"We are very proud to offer our running belt on Amazon." explains a GioSport representative. "Our waist pack is multifunctional, versatile and convenient. By selling our product on Amazon, we are providing our customers with a convenient and hassle-free experience. We want our product to be transparent. People can easily read our past customer reviews, view photos and access special discounts."

The GioSport Running Belt features two zippered pockets, a headset earphone hole and two adjustable, reflective straps. It can securely fit most cell phones including the iPhone 6 and Androids. The waist pack can also be used as a convenient storage case during workouts, cycling, hiking and travelling. It is the ideal size for storing money, cards, keys and other small items.

Made from high quality neoprene material and breathable mesh, the GioSport Running Belt is sold with a 100% Lifetime Money-back Guarantee. To find out more information about the product, visit their [Amazon page](#) directly.
