

IDoBorrow.com Offers Designer Bridal Jewelry For Rent, Launches New Site For Easier Online Ordering

The company's new website features several shopping categories, borrower stories, a blog, and a FAQ section covering jewelry rental questions.

PHOENIX, AZ, USA, December 2, 2015 /EINPresswire.com/ -- Brides who can't find that perfect piece of jewelry have a new option thanks to [I Do Borrow](#). I Do Borrow offers women affordable wedding jewelry for rent for the big event or other special occasions. The company has launched a brand new website at www.idoborrow.com which allows visitors to view the [designer bridal jewelry](#) selection and reserve items online in their "reservation bag." I Do Borrow provides jewelry rental for both men and women offering a full selection of earrings, bracelets, necklaces, watches, men's bracelets and cuffs available for low daily rates.

"Jewelry adds the perfect finishing touch to a special occasion. Sometimes it's just not possible to find the perfect piece in time for the event or it's out of the client's price range. Jewelry rental gets around both of these issues. All of our pieces are extraordinarily high-quality and are available for a mere fraction of what they would sell for. This opens up many more options to men and women who are looking for that special piece," explained Sarah Cattaneo of I Do Borrow (www.idoborrow.com).

The process to rent jewelry online through I Do Borrow is simple:

1. Choose reservation dates (arrival date of jewelry and return date).
2. Browse the selection of jewelry.
3. Add jewelry to the Reservation Bag.
4. Checkout.

I Do Borrow has gone to great lengths to make the rental experience as simple as it is exciting. All of the jewelry is handcrafted and one-of-a-kind. I Do Borrow takes care of cleaning the jewelry before and after the event so it always looks its best and organizes shipping so it falls Monday-Friday. This shipment plan minimizes the chance of jewelry not arriving in time for the event. Rentals include a return box and a pre-paid shipping label.

"We always encourage our clients to put their event date in as the rental date. Then we ship the piece out so it arrives a day or two before the event. It saves the customer a little bit of money because they don't have to factor in shipping time, we do it for them," explained Cattaneo.
