/EINPresswire.com/ -- GREAT HOLIDAY OR BIRTHDAY
GIFT FOR DOG LOVERS
CHIBI—A DOG IN NEW YORK

I am a small (11 pounds) 4-year-old [Brussels Griffon dog](#), very [cute and well educated](#). I was born just back of Princeton University and now live in New York City, very close to NYU. It's no wonder that I'm writing a book.

My book covers all the wonderful things that happen to me since my birth in New Jersey and since I was brought to New York City nearly four years ago. It has been quite an adventure, covering life in an apartment and the times that I have wandered the exciting streets of the city. I have also traveled to Puerto Vallarta (Mexico), Paris, Tokyo, Kyoto, Rochester (NY) and Toronto. The book has many photos of me with New York and travel sights and sites in the background,

photos taken by my Mommy, Chie Hamaguchi Rubinstein.

I am vigorously seeking sales of my book, Chibi—A Dog in New York to help cover my upkeep. I have dictated this book to my Daddy, Marv Rubinstein, an author who has had twelve books previously published. Details on all his books can be found on the Marvin Rubinstein page of the books section at Amazon.com, or at the marvinrubinstein.com web site.
