

# Ettractions Expands Touch Screen Network in Western U.S. & Canada

WOBURN, MA, USA, December 16, 2015 /EINPresswire.com/ -- [Ettractions](http://Ettractions.com) Inc, a leader in the travel and tourism marketing sector, today announced the expansion of their award-winning [ExploreBoard](http://ExploreBoard.com) network in Western U.S. and Canada. Beginning in January, Ettractions will officially launch 13 new touch screen networks through a licensing agreement with Certified Folder Display Service, Inc. The expansion will include popular tourism destinations such as San Francisco, Los Angeles, Orange County, San Diego, Las Vegas, Dallas, San Antonio, Houston, New Orleans, Phoenix, Portland, Seattle and Vancouver. The latest licensing agreement plans include nearly 200 kiosks by the fall of next year, expanding the Ettractions ExploreBoard network to over 50 destinations with 570 in-market touch screen displays.

“The latest Ettractions ExploreBoard expansion reflects the growing demand for engaging content in the hospitality and tourism environment. We are thrilled to see our visitor marketing touch screens expand to new markets. Place-based media that is both interactive and portable like the Ettractions ExploreBoard have been well received by hotels, attractions and visitor centers.” states Peter Magaro, President of [CTM Media Group](http://CTMMediaGroup.com) Inc.

“We are really excited about the partnership with Ettractions and the launch of the new ExploreBoard digital network. With International markets

continuing to grow, the ExploreBoard’s ability to deliver visitor information in six different languages is very appealing to both our advertisers and our hospitality host partners.” states Bill Deering, Senior

Connecting Visitors to Fun!

Vice President/General Manager of  
Certified Folder Display Service, Inc.

With over 19.5 million digital engagements last year, Ettractions has proven to be a popular resource among tourists and visitors. The cutting edge marketing tool targets travelers when they are in-market and in the mindset of making travel purchasing decisions. Portable from the touch screen to a personal device via email or text

message, Ettractions is transforming how and when visitors receive information. Providing a customized experience unique for each guest, the Ettractions brand continues to reinvent itself with advancements and new touch screen features including dynamic categories. The ExploreBoard allows advertisers to feature their attraction, restaurant, activity or service with enhanced content including video, maps, optional ticketing and reservations. The content is also updated in real-time making event and other seasonal updates rather seamless.
