

TimelyPick Ltd. Introduces Classic Online Solitaire Game with a Twist

TimelyPick, a curation website releases a fun new way to enjoy their website more by offering a free to play, online Klondike and Spider solitaire game

RAMAT-GAN, ISRAEL, ISRAEL, December 16, 2015 /EINPresswire.com/ -- TimelyPick is a website [curating popular news](#) content from various topics around the world, regularly updated every 4 hours. Topics range from music, health, celebrities, sports and science.

TimelyPick wishes to help online enthusiasts to play solitaire again without wasting their time so they introduced their own [TimelyPick solitaire card games](#) – sole online game in the market where while enjoying playing the classic solitaire games for free one is able to watch and read the most popular news on the web.

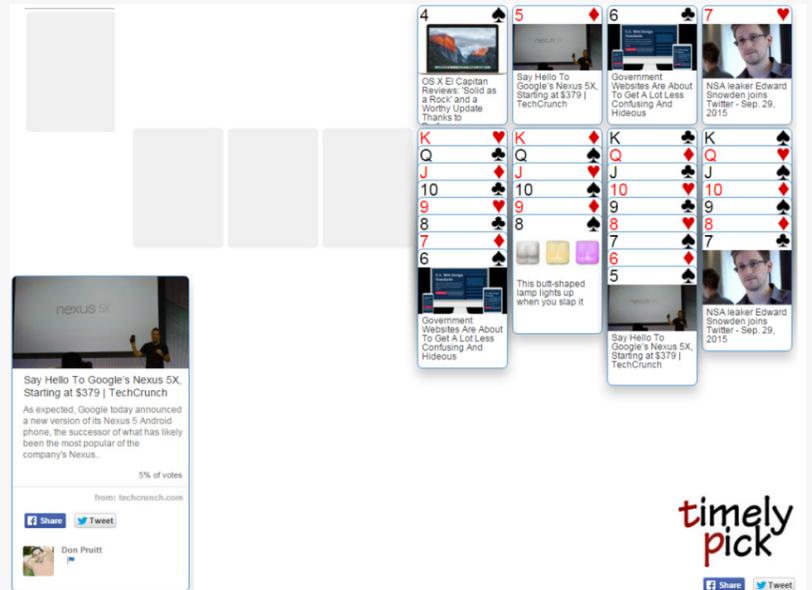

The innovators – Eldad and Galit Zamler are claiming for a patent pending for this new technique. According to them "Almost every big news website like Yahoo, AOL, MSN, CNN and more have online solitaire card games, just because many people like to play these games and these websites want the visitors to stay on their website for an extended amount of time. But why not to combine between news and the favorite card

games – this combination adds value to both elements."

It is well known that millions of people love to play solitaire games. TimelyPick's staff studied this issue and they found out through a survey that people enjoy playing solitaire card games because it is: fun, passes the time, relaxing, challenging, addictive, helps train the brain and it is a great game. Those players can now play the most popular solitaire card games Klondike and Spider with dynamic content which is taken from TimelyPick's website that curates current popular news from around the web by topic. The content on the cards face is updated every 4 hours, according to "a vote cycle" on

TimelyPick

TimelyPick play solitaire

TimelyPick's website.

Players can choose their best topic like: Science, tech, animals, film, fashion, marketing, etc. and play with the topic curated popular news on the cards face.

Before developing TimelyPick's solitaire, Eldad and Galit, -- founders – checked what makes an online solitaire game a good one, and based on their findings, they developed Klondike and Spider solitaire games with a user-friendly interface, HD graphics, animated cards motion and landscape support. These games are free and optimized for phones and tablets.

The founders also promise that no annoying pop-ups will be displayed on TimelyPick's solitaire card games. "We understand the need of playing solitaire for free without disturbing ads so that is what our users will get to have during their entire visit playing our unique solitaire game."
