APOPKA, FL, USA, December 21, 2015

EINPresswire.com/ -- During the summer of 2015, Wilhelmina [Campbell](#) engaged in a study of the Old Testament Book of Judges' story of Gideon. She was intrigued by the powerful story of how a man with little faith became one the greatest believers in the Bible while overcoming a great army of enemies with a much smaller group of faithful members of his Israelite clan.

Wilhelmina and her daughter Kelly Campbell developed a study guide to help others, of any level of faith, learn how to trust their power to believe and achieve. While developing the study guide to a section of the Book of Judges, Wilhelmina asked her son to review the manuscript. Jesse Campbell, II, unwittingly experienced a 'Gideon Moment' while reading the book. Jesse took a great leap in his spirituality and went from low in faith and powerless to reborn in his belief in God and employed by the San Francisco 49ers as a risk manager. Study Gideon's experience and build your faith and develop the strength to accomplish your own goals.

[Mighty . . . Who Me?](#) is designed to be used as a group study guide over weeks of classes or can be used individually for personal growth and strength. It is available at www.OlmsteadPublishing.com in paperback and from the authors themselves. Like the Campbells' book on Facebook: www.Facebook.com/MightyWhoMe. #MightyWhoMe #GideonMoment
