BISMARCK, ND, USA, December 19, 2015 /EINPresswire.com/ -- [WoodToyBox.com](http://www.woodtoybox.com) has added a new option to its line of solid wood toy boxes just in time for the holidays. Customers now have the option of a silver colored font on the [cherry](#) and espresso toy chests. The silver color is in addition to the gold colored font already available. Personalization is included in the price of the all wood toy box.

The silver is a modern and elegant option on the cherry and espresso colored boxes. It's very eye-catching," said [Bob Beck](#), founder of Wood Toy Box (<http://www.woodtoybox.com/>).

The company's solid wood toy boxes have gained generations of followers with parents and grandparents buying the heirloom-quality pieces for the children in their families. "We have a lot of options for customers to choose from so they can create a one-of-a kind toy box for the special kids in their lives. These are quality pieces that are designed to last through childhood and beyond," explained Beck.
