

'Absolute Intolerance' holds lead in Top Three Hot New Releases in Legal Thrillers

Homophobia turns deadly when a serial killer strikes in Kenneth Eade's latest crime thriller

NEW YORK, NEW YORK, USA, December 26, 2015 /EINPresswire.com/ -- 'Absolute Intolerance,' the [bestselling legal thriller](#) from author Kenneth G. Eade, whom critics describe as: "One of our strongest thriller writers on the scene," has held its place in the top 3 of hot new releases on Amazon since its December 13th release, and is currently in the #2 place, along with 'In the Clearing,' by Robert Dugoni (currently #1) and 'Blood Flag' by Steve Martini (currently #7). The novel is the eighth fictional outing by Eade, whom critics believe will become "the next John Grisham" in the political and legal thriller genres. 'Absolute Intolerance' is the seventh novel in the popular Brent Marks Legal Thriller Series.

Said Eade, "As with all my novels, 'Absolute Intolerance' is a story with a higher purpose. In this case, it is an expose on hate and homophobia. According to the FBI National Press Office, as of 2010, 19.3% of hate crimes in the United States were motivated by sexual orientation bias. According to a 2010 Intelligence Report by the Southern Poverty Law

Center, LGBT people are far more likely to be the object of a hate crime than any other minority group in America. I thought it would be interesting to examine two forms of aberrant behavior and find out what happens when homophobia intersects with serial killing. The series protagonist, attorney Brent Marks, is faced with a moral quandary when he must decide whether or not to defend the religious fanatic accused of murdering his former clients."

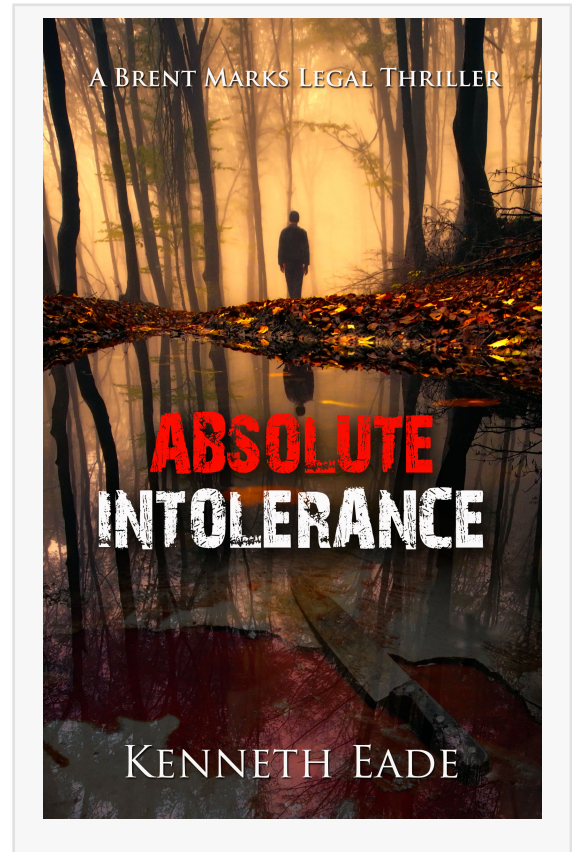

Synopsis:

Homophobia turns deadly when a serial killer strikes.

Lawyer Brent Marks advocates a case for a gay couple's marriage. After victory, the couple is found in their home brutally murdered, serial killer style. Can Brent bring himself to defend the only suspect in the case? Where ethics and tolerance collide, Brent must solve the murders to form a viable defense.

Absolute Intolerance has received notable acclaim from critics:

"Absolute Intolerance is packed with delightful twists and turns, but its real surprise lies in an unexpected conclusion that neatly sums up events without a predictable path being taken. This makes for a gem of a read for courtroom drama and mystery fans used to the clues adding up to one

direction. Without spilling beans, suffice it to say that *Absolute Intolerance* remains thought-provoking from start to finish, and is a winning story fueled by issues of religious and gay civil freedoms alike.”- Midwest Book Review
