VINELAND, NJ, US, December 29, 2015 /EINPresswire.com/ -- From Cheese Ravioli, to our newest additions of Four Cheese Tortolloni and Butternut Squash Ravioli, Conte's Pasta Co, Inc. offers a variety of traditional Italian favorites that were once considered forbidden on a [gluten free](#) diet. Made from all-natural and/or organic, non-gmo ingredients with cheeses that are rBST-free, our gluten free products are made in our dedicated, GFCO-Certified Gluten Free Facility. Mindful of the need to conserve energy and maintain a healthy environment our facility operates on 100% Solar Power.

Our Gluten Free Four Cheese Tortolloni is excellent when served as an entree with your favorite Conte's Sauce or toss with a homemade cream-based sauce, peas and chicken for a hearty meal. If you're in the mood for something a little lighter toss them in a light salad dressing with chopped celery, chopped onion and sliced cucumber. For a quick 'homemade' soup add them to your favorite broth and enjoy.
