Lou Engle Shares His Vision of The Call Azusa 2016 During Two Hour Special on The Way and The Cross TV

LOS ANGELES, CALIFORNIA, USA, January 4, 2016 /EINPresswire.com/ -- The Way and The Cross TV will feature [Lou Engle](#) on a two hour special on Jan 8th from 12:00 noon to 2:00 pm pacific standard time.

Lou Engle is a revivalist, visionary and co-founder of [The Call](#) solemn assemblies. For more than three decades, Lou's passion has been to call believers into radical consecration through prayer, fasting, and acts of justice. Lou has been involved in church planting, establishing prayer movements and strategic houses of prayer. He is the founder of the prolife ministry Bound 4 Life and has inspired other justice movements.

Lou resides in Pasadena, California, where he is a part of the leadership team at the Pasadena International House of Prayer. He recently launched the Spiritual Air Force Academy with a mandate to train and deploy teams across the world for breakthrough intercession in partnership with missions.

Lou Engle has a new vision and states, "we will boldly ask God for the rain of revival on April 9th, 2016. We will consecrate an entire day — 15 hours — for the purpose of unity, miracles, healing, and the proclamation of the gospel. Our rally cry: Come, Holy Spirit! Instead of 120 in the Upper Room, we seek to gather as many as 120,000 in one place and one accord to simply exalt Jesus. And for inspiration, we turn to the most powerful expression of revival in modern times: the historic Azusa Street Revival of 1906".

[The Way TV](#) is a network where people can come and find out about anything they need to know whether it be salvation, baptism or the Holy Spirit. It is a station where believers can go to learn and share with brothers and sisters in the lord. They are the only station that covers breaking news from Egypt, through a live feed, from 13 reporters.

The founder of The Way TV, Joseph Nassralla, is intimately familiar in sacrificing for the lord. In the West Desert of Egypt, he was imprisoned and tortured, leaving permanent scars on his body, as a result of discrimination stemming from his beliefs in Christianity. He is one of the most anointed and gospel worship leaders and has composed more than 70 Arabic songs, leading him to become one of the most renowned and popular artists in the Middle East.
