Private investigator can strengthen your case and save you money; BSI Private investigators are licensed insured and bonded.

ORANGE, CALIFORNIA (CA), UNITED STATES, January 5, 2016
 /EINPresswire.com/ -- Blue Systems International (BSI) is announcing a free consultation program for all clients. BSI is a team of former state and federal law enforcement investigators with combined experience of over 100 years. The private investigation agency is licensed, insured and bonded. BSI utilizes the most advanced, sophisticated tools and systems in order to provide our clients with the legal support required to win your case.

Who should consult with a [private investigator](#) ?

Anyone who can't call the police or the law enforcement officer simply said that they are unable to help or engage in the matter. Police officers are not trained to respond or address civil matters. As a matter of fact some criminal matters like white collar fraud are not pursued by the police due to the lack of evidence and time consumption. The legal system is like a sword that cuts both ways; it protects from false imprisonment, however, in the process it can let a criminal slide.

PROTECT YOURSELF FROM A STALKER AND CALL NOW BEFORE IT'S TOO LATE

COMBINED EXPERIENCE OF FORMER LAW ENFORCEMENT AND FEDERAL INVESTIGATORS

private investigator surveillance pi

A large portion of us need to think the best of individuals and not see the world as a spot that is brimming with deceptive nature, extortion and defilement. Tragically, there are circumstances that call for master counsel and help when people and organizations are worried about such dangers. Treachery, speculation tricks, false continues, fake organizations, wholesale fraud, sentiment tricks, corporate undercover work, and a great many different dangers do exist, and customers depend on private specialists to minimize the danger and accumulate clear proof. In today's reality, it's certainly preferred to be protected over sad, and get the certainties.

Business personal investigation

A business, similar to a man, has a past and a society; And cooperates with numerous individuals consistently. However what you see may not genuinely reflect what the business is about. Private agents can inquire about and explore and convey proof that you're working with a legitimate element.

Child custody cases

Parents who come back to court regarding kid custody and parenting time (also referred to as "visitation") face selections regarding parenting plans for his or her kids. This section offers you data regarding parenting once separation or divorce. It helps you perceive what your kids could also be probing and what they'll have to be compelled to suits the changes in their lives. It conjointly offers you data to create a parenting arrange for you, your children's different parent, and your kids that's supported the most effective interest of your kids. Child custody cases are based on the parent's credibility and only undisputed evidence can prevail in a court of law.

Unfaithfulness examinations (Adultery, cheating spouse)

Not knowing whether your mate is having an unsanctioned romance is an agonizing and crushing thing. Private agents help with these sad circumstances consistently. A P.I. can tactfully discover certainties and data and reveal reality so you know regardless of whether your life partner is blameworthy of unfaithfulness. There is no confirmation like photo and video proof from observation footage on your accomplice.

Protection extortion claims (Fraud white collar crimes)

Protection extortion happens when a demonstration is submitted with the purpose to acquire an advantage in which a man is not generally entitled. False protection cases are recorded with the expectation to dupe a protection supplier and they cost billions of dollars every year. Protection extortion claims range from extending reality to submitting purposeful harms or damage. Private examiners can recognize reality. We photo those anguish from leg wounds playing b-ball, etc. Now and again, agents might even photo a living individual, why should gathered be expired!

TSCM BUG SWEEPS

Today's most advanced devices are available on the internet and are easily purchased. Your privacy and piece of mind can be very easily compromised.

Technical Surveillance counter measure also know as "TSCM" is one of the most important service a private investigator can offer their client. Can you imagine if the enemy is able to listen, watch and know your every move? Now a days anyone can buy a spy bug and start stalking you without any detection no what ever. An experienced Technical Surveillance counter measure investigator can immediately locate all spy bugs, spy devices and spy equipment. Locating Neutralizing and disabling the spy bugs, spy devices and spy equipment is a very technical counter measures procedure that is performed with extreme caution. Afterwards, another important task that TSCM investigator performs

experience of over 100 years;
licensed, insured and
bonded
M.I.P.I.

is securing the spy bugs, spy devices and spy equipment for evidence in order to file a police report and for court proceedings. We will find and locate spy bugs, spy devices and spy equipment, even if a court order was effective and you are under any type of surveillance.
