

United States Air Force joins speaker line up for Air Mission Planning 2016

SMi are proud to announce that the United States Air Force will be speaking at the 7th annual Air Mission Planning conference on the 20th-21st April in London

LONDON, UNITED KINGDOM, January 8, 2016 /EINPresswire.com/ -- Presenting from The United States Air Force on Day One of the [conference](#) will be Colonel Glen Genove, Commander, 435th Air and Space Communications Group. His unique presentation entitled "Planning and Mission Systems for the Provision of Mission Support to US Air Forces" will discuss force structure and the supporting role of the 435th Air Ground Operations Wing; ensuring rapid reaction and decision making through the fusing of intelligence and effective dissemination of data as well as supporting planning and execution of air missions via the Joint Worldwide

A promotional poster for the Air Mission Planning 2016 conference. The background is blue. At the top, it says "SMi proudly present their 7th annual" followed by the SMi logo. The main title "Air Mission Planning" is in large white letters. Below it, the dates "20 - 21 April 2016" are displayed. Further down, "London, UK" is written. At the bottom, the website "www.airmissionplanning.co.uk" is shown in white text on a black background. A small image of a fighter jet is on the right side.

Intelligence Communications System (JWICS), Global Command and Control System (GCCS) and Unit Level Intelligence (ULI).

Building on the successes of previous [Air Mission Planning](#) meetings, this year's conference will bring together those at the forefront of the domain, ranging from leading operators, system integrators, technical engineers, chief scientists and the leading industry providers. [Air Mission Planning 2016](#) will explore the strategies and technologies required to develop next generation capability in this vital area.
