NEW YORK, NY, USA, January 11, 2016

[/EINPresswire.com/](http://EINPresswire.com/) -- What promises to be an absolutely unforgettable night is only two months away. Alexandria, VA is the host city to the iconic, [International Hairitage Awards](#). The ceremony will be held on Sunday, March 6, 2016, 6:30 p.m. EST, at the Embassy Suites by Hilton. Glamour, elegance, and style will be the focus as natural hair and [beauty professionals](#) are dynamically recognized for their talents, contributions, and distinguished achievement.

Part dazzling. Part virtuosic. Part eclectic. Attendees will enjoy a three-course meal before the ceremony, and all-night dancing after the awards.

"All are welcome on March 6, 2016 at our posh awards gala as we celebrate the finalists and winners," said an elated, [Ansylla Ramsey](#), organizer of the prestigious event. "Join us as we honor the dedication and skill of the global community of artists who have inspired lovers of naturally kinky, coily and curly hair and its accompanying attributes."

Beauty professionals across the globe can submit photos of their best work at <http://www.naturalhairawards.com>.

Ramsey spoke of the genesis of the awards show. "As an international educator, I've met many talented natural stylists from several countries who may not be able to participate in natural hair styling competitions which usually take place at trade shows. I thought, 'Why not have natural stylists submit photos online?' It's time to expand the recognition of the versatility and ability of natural hair stylists."

Hair professionals, everywhere are eligible to participate in the International Hairitage Awards. An international judging committee ensures that participants are scored appropriately on skill set, technique, and creativity.

Participants will be recognized in 10 fields of excellence.
