

Nassau Plastic Surgical Associates, P.C. Now Offering SculpSure, a New FDA Approved Non-Invasive Fat Burning Procedure

Chief Plastic Surgeon, Dr. Peter Neumann in Roslyn NY Helps Patients Destroy Stubborn Fat Resistant to Diet and Exercise With Non Invasive 25

Minute Treatment

PETER R. NEUMANN MD, FACS
COSMETIC & RECONSTRUCTIVE SURGERY

ROSLYN , NEW YORK, UNITED STATES, January 12, 2016 /EINPresswire.com/ -- Dr. Peter Neumann is excited to announce that his practice, [Nassau Plastic Surgical Associates](#) in Roslyn, New York has been named the official Reference Center for [Cynosure's](#) new body contouring treatment, [SculpSure](#) Dr. Neumann is officially set up and performing SculpSure procedures in his office with much success.

The new FDA approved SculpSure is a breakthrough in light-based body contouring designed to reduce stubborn fat in problem areas such as the abdomen, arms, thighs and love handles, helping you achieve a slimmer appearance without surgery or downtime. Even with diet and exercise, most people have stubborn pockets of fat that seem impossible to lose. SculpSure's body contouring technology targets and destroys these fat cells in just 25 minutes without affecting the skin's surface. The procedure is non-invasive and the patient will only experience a slight tingling from the laser. Over time, damaged fat cells are naturally absorbed and removed from the body, with results seen as quickly as six weeks, and optimal results typically seen at 12 weeks. There is no recovery time following treatment, so you can resume your daily activities immediately.

Dr. Neumann's practice has been named the "Reference Center" for SculpSure and will be responsible for the training of medical professionals, doctors and nurses.

About Nassau Plastic Surgical Associates: Dr. Neumann has been in private surgical practice for over 35 years, helping patient's achieve both outer and inner confidence. As Senior Attending Surgeon at North Shore LIF Hospital, top services include breast augmentation/reduction mammoplasty, rhinoplasty, addominoplasty, injectibles and tummy-tuck. He is certified by the American Board of Plastic Surgery and is a member of numerous organizations and Fellow of the American College of Surgeons (FACS).
