Only a couple of days are left to pledge support for [Goodbody Goodmommy](#) fashionable, functional maternity active wear campaign.

Goodbody Goodmommy is a new brand of maternity wear that is both stylish and modern. They utilize luxurious materials to keep pregnant women comfortable. There are no awkward holes and flaps in the materials. There is no ill fitting jersey which makes post tantrum belly look even worse, but just comfortable and chic fabrics.

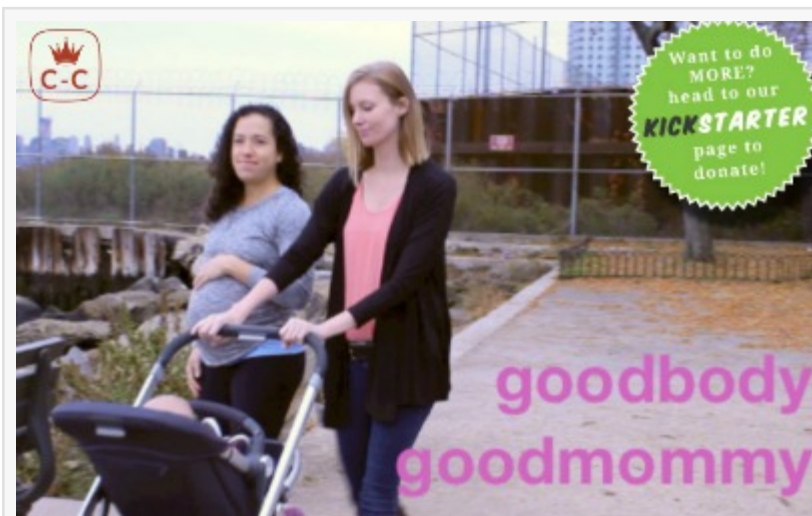

Goodbody Goodmommy has what it takes to modify that problem forever. The new line of maternity wear is fashionable and stylish. It changes the way pregnant women look and feel in maternity dress. Made of high end materials, discrete nursing coverage as well as built in support, this is what sets the active wear for pregnant women apart from the rest.
