

weholi Nominated for Three Perspective Magazine Awards

Active vacationers can now connect directly with owners of private resorts

TEMPE, ARIZONA, USA, January 11, 2016 /EINPresswire.com/ -- [weholi](http://weholi.com) was recently nominated for three Perspective Magazine awards. Award categories include Best Consumer Product, Best Newcomer, and Best Membership Program.

The Perspective Magazine Awards program is the only global recognition platform in the vacation ownership industry that is judged by both a panel of experts and industry peers. The judging panel is comprised of experts from the vacation ownership industry and account for 80% of the vote.

The remaining 20% comes from thousands of industry professionals who vote online for their favorite entrants. Winners to be announced at [GNEX 2016 Conference](#) February 2-5, 2016.

weholi is Spearheading an Emerging Marketplace for Vacationers

“

“We are truly honored by the award nominations.”

*Fermin Cruz, Vice President,
Sales and Marketing, weholi*

Founded in 2014, weholi is a calculated response to a shift in the vacation marketplace. weholi has effectively expanded vacation options for the average traveler, by developing a way to connect active vacationers with owners of private resorts.

In addition to access to unique resort vacation rentals around the world, with features that go far beyond a cheap hotel stay, travelers also get exclusive benefits that include deep

discounts on traditional hotels, cruises, car rentals, local activities, the ability to book airline tickets – much of which comes with guaranteed low prices.

“We are truly honored by the award nominations. They help to validate all the hard work we’ve put into the development of a service aimed at fulfilling a niche in the industry that helps both vacation owners and vacationers alike”.

~ Fermin Cruz, Vice President, Sales and Marketing, weholi

[About weholi](#)

weholi is a global online marketplace where vacation owners and vacationers come together to buy and rent vacation stays from each other. It’s a self-service, peer-to-peer transaction platform that allows vacation owners to effectively offer vacation packages to travellers who simply want to stay at a

quality resort with bedrooms, kitchens, amenities and services, and a well managed check in process.
