Wallingford Area Real Estate Professionals Pay It

Forward with Heroes Home Advantage

January 20, 2016 – Wallingford, CT – Heroes Home Advantage proudly announces that real estate agents Pat Harriman, Mark Poulin, Jane Hueslman, Christine Zygmunt-Ross, Stacey McPherson, Emilia Menna-Erdmann, and Megan Foggitt of Harriman Real Estate in New Haven County, CT have renewed their commitment to giving back to their local Heroes for a second year. Home inspector Marco Miranda of Pillar to Post Home Inspections and loan officers Bradley Moore of First World Mortgage Corporation and Paul Martin of Allied Funding Group have also renewed their partnerships to give credits and discounts for a second year.

The real estate rebate program provides rebates, discounts and credits to local heroes who are purchasing or selling a home. This group of real estate professionals has demonstrated their commitment to helping those who protect and enrich the lives of New Haven County residents for the past year. Through the Heroes Home Advantage program, the Realtors with Harriman Real Estate will donate 25% of their entire company's commission in cash back or credit as allowable per the Realtor's state. Lenders and home inspectors will also be providing discounts and credits to their hero clients through the program.

"I was a military wife for many years and now I'm a military Mom. I've been through both my son and daughter being deployed. And, I know firsthand the sacrifices they have given to our country. It really warms my heart to have raised these heroes." Said Pat Harriman, Harriman Real Estate. "This is why I joined the Heroes Home Advantage program. It offers me a way to give back not only to military heroes, but local heroes - firefighters, police officers, teachers and those in the healthcare field. By giving back part of my commission, it is my way of saying thanks for everything they do for us on a daily basis."

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country.

About Heroes Home Advantage

Heroes Home Advantage was founded in 2011 by Michele Ladd in Rochester NY. Ladd's son Tommy, a United States Marine Corps combat veteran, completed two deployments to Iraq while her second son Tyler served in the United States Navy. Upon the two returning home safely, Michele decided to give back to local heroes and began reaching out to real estate professionals across the country to

help her in her plight. Heroes Home Advantage is growing and is currently in 33 states with over 700 Realtors, lenders and vendor partners. To date, the organization has helped America's heroes save nearly \$4,000,000 in credits, rebates and discounts to say "thank you for your services to our country and communities."
