Chicago Area Real Estate Professionals Pay It

Forward with Heroes Home Advantage

January 22, 2016 – Chicago, IL – Heroes Home Advantage proudly announces that a group of real estate professionals in Cook County in Illinois have joined their program. The real estate rebate program provides rebates, discounts and credits to local heroes who are purchasing or selling a home.

Heroes Home Advantage has teamed up with Realtors Sharon Tuckman and Mark Quesada of Berkshire Hathaway, loan officers Michael Plating of Inlanta Mortgage and Christina Razzi of Chicago Financial Services, home inspectors John Olson of Northern Home Inspections and John Bruner of JB Inspection Services Inc., attorneys Adrienne Shreffler of The Real Property Law Group, PC and Michael Wasserman of the Law Office of Michael Wasserman and insurance agent Christine Seiler of Country Financial. These partners have demonstrated their commitment to helping those who protect and enrich the lives of Cook County residents.

Through the Heroes Home Advantage program, Realtors will donate 25% of their entire company's commission in cash back or credit as allowable per the Realtor's state and lenders will provide closing credits as allowable per the lender's state. Attorneys, title agents, home inspectors and home insurance agents will also offer discounted rates or closing gifts to local heroes for each of their services, for a savings up to \$5,000.

"My dad was a veteran and my cousin is a police officer. There are so many "invisible heroes" in our society. I wanted to do something to show my appreciation for all they do by giving back in my capacity as a realtor." Said Sharon Tuckman, Berkshire Hathaway.

"The ability to wear multiple hats is essential in this business. From understanding ever changing lending guidelines, to being able to point out inspection issues before it's too late. Your Realtor should be more than someone that opens doors and negotiates sales prices. Your Realtor should be someone you can trust and works with you tirelessly to take your dreams and make them a reality. I've been told time and time again that my response time is super-human and I like to pride myself on that. No matter how busy I may be, you can rest assured your questions and concerns will be answered with lightning speed. I keep my clients prepared and well informed at all times. You'll always be ahead of the game at every turn." Said Mark Quesada, Berkshire Hathaway.

The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country.

#### About Heroes Home Advantage

Heroes Home Advantage was founded in 2011 by Michele Ladd in Rochester NY. Ladd's son Tommy, a United States Marine Corps combat veteran, completed two deployments to Iraq while her second son Tyler served in the United States Navy. Upon the two returning home safely, Michele decided to give back to local heroes and began reaching out to real estate professionals across the country to help her in her plight. Heroes Home Advantage is growing and is currently in 33 states with over 650 Realtors, lenders and vender partners. To date, the organization has helped America's heroes save nearly \$3,500,000 in credits, rebates and discounts to say "thank you for your services to our country and communities."
