

# New Children's Divorce Book Could Revive a Parent's Friendship

*Divorce Through the Eyes of a Child; Dear Mama and Dad, is a new children's book that could revive a friendship between divorced or separated parents.*

MCDONOUGH, GA, USA, January 23, 2016 /EINPresswire.com/ -- Considering the stressful times we are living in, it would be unrealistic not to consider that some marriages, sadly, will fail. [Divorce Through the Eyes of a Child; Dear Mama and Dad](#) is a poetry book that will help kids to feel free to open up and express how they feel about the effects a divorce or separation has on them.

The letter written by the little girl and boy in this poetic story, show that some children do pay the price of divorce or separation. They are affected in many ways. Although innocent bystanders, they suffer the penalty, as the well-chosen words and illustrations so skillfully depict. In addition, many may blame themselves.

This poetic letter encourages friendship between the mother and father, for the sake of the children. This story offers thought and hope, yet it stirs emotions and is very touching.

Divorce Through the Eyes of a Child; Dear Mama and Dad is a poetry book for children ages 4+ with global relevance.
