

# OCG Studios releases -GO- Concentration - Reaction - Speed - Friends - for iOS and Android

*Press fast, don't be last...*

BUSSUM, NH, THE NETHERLANDS,  
January 25, 2016 /EINPresswire.com/ --  
-GO- Challenge your friends for a quick  
game to decide on a real-life task.

We are expecting this game to be a big  
hit in offices and homes.

It's the ultimate game for the office, bar,  
at home and with your friends. Decide on  
who buys the drinks, does the dishes,  
cleans the house, takes out the garbage,  
makes dinner, does the shopping, or just  
determine who is the fastest.

One-button frustration or happiness just  
a minute away.

Every month new mini-games will be added. 18 different languages. Send invites to friends in other countries in their own language.
