

Dr. Anne Taylor Opens New Plastic Surgery Practice Serving Columbus

At the advanced Aesthetica Surgery & Spa in Worthington, Dr. Taylor offers non-surgical and plastic surgery services for patients from around Columbus, Ohio.

COLUMBUS, OH, USA, January 24, 2016 /EINPresswire.com/ -- Aesthetica Surgery & Spa (www.drannetaylor.com), a plastic surgery practice offering Columbus, Ohio, residents access to advanced cosmetic treatments, plans to celebrate its launch Jan. 29 with a gala "Bubbly and BOTOX®" party at its Worthington Mall location.

"Our experienced team provides top-of-the-line cosmetic services for women and men in a comfortable, boutique setting," says Dr. Anne Taylor, founder and board-certified plastic surgeon with more than 25 years of experience. "I established Aesthetica to offer patients advanced medical spa procedures that are convenient and effective, as well as premier surgical procedures such as facelifts and breast augmentation."

In Columbus, Dr. Taylor served for years at The Ohio State University as an associate professor and practicing physician in the Department of Plastic Surgery and is a long-standing fixture in the community. Her private practice officially opened for business Jan. 1, and she says establishing a facility that is specifically tailored to the needs of her patients fulfills a dream.

"Our discerning patients appreciate the personalized, warm environment we've established at Aesthetica," Dr. Taylor says. "We've intentionally created a space that feels more like your living room than a medical office, while still maintaining the highest safety standards."

Dr. Taylor says she decided to establish her practice at the Worthington Mall both because it is a convenient central location with plenty of parking and because the mall provides a number of amenities that patients and their families can enjoy when they come for procedures or follow-up appointments. It's about 15 miles north of Columbus, the plastic surgeon says.

"The mall is an upscale destination with boutique shopping options and restaurants," she says. "We are inside the mall at its northwest entrance. It's a fun place to visit."

Aesthetica plans to provide quite a bit of fun at its launch party later this month, Dr. Taylor says, with guests able to browse their "Beauty Bar," which showcases the professional grade skin care and aesthetic products the spa offers.

"Our 'Bubbly and BOTOX' celebration is sure to be an enjoyable evening," Dr. Taylor says. "I encourage anyone who wants to learn more about our facility and procedures to attend."

The event will include discounts on BOTOX Cosmetic injections. Call the practice at (614) 569-2649 for more information.
